Summer Update

It is hard to imagine that we held our first organizational meeting to launch the chapter a little less than one year ago. We have accomplished plenty in our first year- organizing Watch Parties, electing board members & officers, and establishing a constitution. It has been hard work but it has also been a lot of fun. How can you call it work when it is getting involved with something that is a passion? In speaking with a lot of you, we share that same passion and love for LSU. There are many more of us out there in the state of Oklahoma that would love to get together. Last year was a special season as LSU went 11-2 and defeated Notre Dame in the Sugar Bowl. This season is shaping up to be even better. It could even be a magical season. Why not spend it with us and other LSU fans?

The LSU/Ole Miss Game - Applications for tickets can be ordered online at the Ole Miss Athletic Department's website. Order soon! Let us know if you plan to go to Oxford on 11/17 as we may try to arrange a tailgate.

Chapter Dues

We are thankful to all of those who have joined the chapter in the past year as those funds go a long way in helping us plan activities.
